About Us

Our Mission is to give great Randy's experiences through the caring culture of our people.

Our Vision is building on our innovative standards & pioneering change that inspires amazing experiences through Randy's products.

CORE VALUES

Innovative Passion | Satisfaction | Success | Integrity

Staying at the forefront of smokeware innovation takes more than new ideas, it takes conviction. 50 years ago, Randy's was founded on a simple belief: products should solve real problems and earn their place on the shelf. That belief led to the creation of our legendary wired rolling papers and continues to guide every product we develop today. It takes discipline, development, and an in-depth knowledge of the industry. At Randy's, we pay attention to trends, but we don't rush products out the door just to be first. We test them, use them, tweak them, and make sure they're something we'd want to buy ourselves. Our R&D is hands-on, collaborative, and honestly, a lot of fun.

From cleaning solutions and rolling essentials to vaporizers and accessories, our goal is simple: create products that sell, get reordered, and help our wholesale partners grow profitably. We focus on smart pricing, reliable quality, and strong support because long-term relationships matter more than one-time orders. Our partnerships don't end at the point of sale; they continue through responsive service, thoughtful merchandising, and ongoing support. For five decades, that approach has allowed us to weather change, lead innovation, and continue earning trust across the industry.

Randy's isn't just a brand with history, we're a brand still building our future together.

Innovative Passion

A hallmark of Randy's is the ability to ensure quality in every step of the manufacturing process. Randy's products are made of durable, high-quality materials, and the packaging and promotional efforts reflect this focus. When you hold a Randy's product, you know you're holding something worthy of the Randy's name.

Wholesale First

Randy's wouldn't be the company it is without its wholesale customers. Driving increased business to brick-and-mortar stores through specialty products and promotions is the Randy's way. Randy's can deliver advance access to newly launched products, exciting casual and serious fans of smokeware.

Trusted Product

All of our products, like our Black Label glass cleaner, are always tested for safety and quality before they reach you, and, more importantly, your customers. Our top priority is developing and testing products and it is also our favorite part of our process!

Understanding Markets

Randy's constantly studies industry trends, political legislation, and customer demand to deliver exciting products in a timely manner where they're needed around the globe. Randy's is always challenging its process to make sure delivery of products and services meet industry changes.

Customer Service

Randy's is always striving to deliver quality products and improve our processes. We have a dedicated team that works hard to ensure satisfaction, from time of ordering to its final destination in your customers' hands. We pride ourselves on our diverse customer service offerings including digital media support, How to Videos, Product support pages and warranty portal.

Long-Standing Relationships

Effective business results in all partners being satisfied, and Randy's has lasting relationships all over the world. Great products, a knowledgeable and caring team, marketing and customer support— all these attributes are crucial in helping Randy's become your best relationship in the business.

Randy's Promo & Apparel

Our preferred customers are the most important assets Randy's has. We value our relationship with our customers wholeheartedly and strive to provide a diverse assortment of quality products that maximize your opportunity to increase sales. Randy's can deliver a vast array of promotional materials and apparel that are sure to excite both casual and serious fans of smokeware. Be sure to contact your sales representative and ask them about the ever growing assortment of promotional tools we have to offer you!

Terms & Conditions

By ordering from Randy's, you acknowledge you have fully read, understood, and agree to be bound by these Terms and Conditions. Additional terms may be added at any time and you agree to abide by all terms, whether published at the time of document or amended after. Failure to enforce any of these Terms and Conditions does not constitute a waiver.

PAYMENT

Accepted Payment Types: ACH, Wire, Cashier's Check, Credit Card, Money Orders, and Direct Deposit. All payments must clear before items are released.

Credit Card Payments: All customers are subject to fill out a Credit Card Authorization Form. Any distributor order over $1,000 will incur a credit card processing fee of 3.0%. This is not a "convenience" fee and Randy's is not making any profit off of charging a credit card fee, it is simply the fee that is associated with processing a credit card. If you wish to avoid credit card processing fees, Randy's offers payment methods such as ACH and payment by check.

Exemptions: Sales Tax exemption forms must be filled out, submitted, and approved to exclude sales tax on any order.

Additional Fees: NSF Fee - Bounced or returned checks will incur an additional fee of $35 plus any other charges. Late fees include any costs incurred by Randy's to collect in addition to a 1.5% per month finance charge on all past due balances.

SHIPPING & HANDLING

Orders are typically shipped within 1 business day after payment clears. Most orders are shipped via UPS Ground unless otherwise determined. Shipping by freight (on a pallet) will be used at Randy's discretion when less expensive and applicable. Freight shipments are shipped with the lowest shipping rates offered at the time the shipment is booked. Freight shipment quotes are guaranteed at the time of the quote. Customers are responsible for any additional charge due to a carrier's rate change. Randy's may utilize various freight carriers. Customers are responsible for shipping, freight, hazmat, COD, insurance, lift gate, and handling charges.

Shipping Addresses: It is the customer's responsibility to confirm the shipping address is valid. If there are delivery issues and delivery costs, any fees incurred shall be the customer's responsibility.

Transit Times: All delivery dates are only estimates. Randy's is not responsible for carrier delays such as, but not limited to: weather delays, truck delays, or acts of God.

DAMAGES, RETURNS, & DISPUTES

Damages/Delivery Issues: Any order discrepancies must be reported within 24 hours of delivery. All orders leave our warehouse in good condition. If shipment arrives damaged, re-taped, or opened, the customer should file a claim with the carrier at the time of delivery. If your order arrives with damages, shortages, or overages you must keep the original boxes, take photos and videos of the damaged shipment and contact your sales person to request a Return Merchandise Authorization (RMA) form to file a claim. If the damages, shortages, or overage is the fault of Randy's, any damaged or shortened merchandise will be reshipped at our expense. In the case of overages or incorrect merchandise, Randy's will arrange for return shipping. Damages under $75 will be credited to the account. Damages over $75 will be replaced.

Refused Orders: All refused or unclaimed orders will result in a 20% restocking fee plus all shipping charges. If the customer would like the order reshipped, all additional shipping charges will be added. If the fault of Randy's, refused orders will be fully credited or reshipped at our expense (including shipping charges).

RETURN POLICY

Only manufacturer defects or items damaged during shipping will be authorized for a return or full credit. You must first submit a RMA form which you can obtain from your sales rep. Once RMA form has been submitted and approved, your sales rep will arrange return shipping of products. All discontinued, final sale, and low margin items will not be accepted or credited. There will be a 20% restocking fee charged on all approved returns and the customer is responsible for shipping to 5645 Angola Rd. Unit A, Toledo OH 43615. Unauthorized returns will not be credited or reshipped. The customer is responsible for removing any and all price tags or stickers prior to return. There is a $1.00 fee for each price tag or damaged box found. Please contact your Randy's representative with any questions or for more info on our RMA return process.

POLICY & RESTRICTIONS

Customers are solely responsible for complying with all applicable federal, state, and local laws related to the purchase, resale, and use of Randy's products. Randy's makes no representation that products are legal in all jurisdictions and shall not be liable for any restrictions, penalties, or losses resulting from noncompliance. **Sales on Amazon, Walmart, eBay, or any third-party marketplace are strictly prohibited without prior written authorization from Randy's.**

INTERNATIONAL CUSTOMERS

Customers outside of the USA take full responsibility to follow their country's rules and regulations. Randy's is not responsible for any seizure of goods if products are not allowed to be imported to your final destination. International Customers are solely responsible for the collection and payment of taxes, duties, or surcharges that current law requires to collect and remit payment. Pricing does not include taxes or duties. Taxes, duties, & fees incurred are sole responsibility of the importer. All fees incurred to Randy's during the ordering and shipping process must be paid in full before the order is shipped.

Printing Errors: Every attempt has been made to ensure the accuracy of the product descriptions, pricing information, and photos printed in this document. Please note, products and pricing are subject to change without notice. Images may differ slightly from actual products as we continue to improve our offerings. We appreciate your patience and understanding in these matters.

Disclaimers: Randy's is not responsible for any slight color, sizing, finish variations, photographic errors, pricing errors, and/or typographic errors in any of our literature, files, invoices, etc. Randy's only sells products to valid businesses. A business license and sales tax permit are required to purchase goods. Please note that Randy's products are for legal usage only and not intended to be used for Nicotine or Tobacco. All products sold by Randy's and shown on our website are intended only for use with federally legal products, such as federally legal hemp and CBD products, and are not intended for use with any controlled substance. The sale to minors is absolutely prohibited. Legal disputes shall be governed under Ohio law and shall only occur in the state or federal courts located in Lucas County, Ohio.

BLACK LABEL®

Industry-Leading Glass Cleaner

VOTED 2025 BEST CLEANER

MADE IN THE USA

Award Winning Cleaner

Black Label was named Best Cleaner by the Counter Culture Awards, confirming what customers already know: It is the fastest and most effective glass cleaner in the industry. The before and after results speak for themselves and one use often turns a first-time buyer into a lifelong fan.

2 Part Solution

What sets Randy's Black Label apart is its proven 2 part solution. A powerful proprietary liquid works almost instantly on resin buildup while natural scrubbing particles lift stubborn gunk. Together, this 1-2 punch delivers faster and better results than any other liquid cleaner on the market.

Customer Loyalty

Stocking Randy's Black Label means stocking a product customers ask for by name. Once they try it, they rarely switch. Consistent, faster and superior results keep customers satisfied and coming back. Strong performance builds trust and Black Label delivers it every time.

Generate Sales

Black Label began with a small but loyal following who believed in the formula. Through word of mouth and steady growth, it has become a top seller. The large volume of bottles shipped daily comes down to one simple truth:. Randy's Black Label works.

RESIN GUARD

BETTER THAN WATER
FOR YOUR WATER PIPE

Proactive Prevention

This proprietary solution is made up of a liquid base packed with robust extracts that act as a protective barrier between your precious piece and the natural resin build up that occurs during your sessions.

Enjoy the Pure Flavors of Your Herb

Resin Guard prevents resin build up so that you can enjoy the true flavors of your herb for many more sessions than tap water would allow.

Less Cleaning, More Enjoying

If you'd like to spend more time enjoying your session and less time worrying about nasty resin build up or cleaning up the mess it creates, Resin Guard is guaranteed to keep your piece cleaner for longer.

Tested and Trusted Formula

We have run Resin Guard through dozens of different tests to ensure its effectiveness. Our formula is comprised of 100% food-grade additives and passes the standards of multiple health organizations.

Wired Rolling Papers

The Original Wired Rolling Paper

Easy to Roll

Many people find that rolling their herb into a paper can be a tedious and sometimes intimidating experience but our wired rolling papers make it so much easier. The embedded wire has many functions, one being that it acts as a spine to help give our paper stability when rolling. This makes our one-of-a-kind wired rolling papers perfect for advanced smokers and beginners alike.

Easy to Pass

The paper that's made to share! As you burn your herb and the embedded wire begins to expose itself you now find that you have a perfect handle to help pass your paper among friends. No more awkward exchanges and clumsy attempts of passing your herb and it being dropped. The wired rolling paper is perfect for enjoying with your favorite people.

Better Airflow

An unexpected feature of the embedded wire is that it adds a perfect tunnel for consistent airflow through your paper as you enjoy it. Burn your paper down to the very last bit without concern of it running. Our stainless steel wire continues to expose itself the more you enjoy your paper and as you get to the end of your session our wire acts as a built in roach clip so that you can burn all of your herb and not your fingers! No more stinky, burnt finger tips. Our wired rolling papers are good to the last puff.

USA Quality

Our papers started in San Francisco in 1975 and have gone through many changes since then but one consistent element is that our papers are manufactured here in the USA with medical grade American stainless steel wires and top quality rolling paper.

Classic Wired Papers

0002	**King Classic Wired Paper • 110mm** 24 Papers Per Pack, 25 Packs Per Display	**$34.00** UNIT PRICE **$1.36**

Roots Organic Hemp Wired Papers

Roots are Randy's Hemp Wired Rolling Papers designed to create a more natural smoking experience. While being 30% thinner than our Classic Wired Rolling Papers, Roots are made of 100% organic hemp with gum glue strips derived from African Acacia trees.

0003	**Roots Wired Paper • 77mm** 24 Papers Per Pack, 25 Packs Per Display	**$33.00** UNIT PRICE **$1.32**
0004	**King Roots Wired Paper • 110mm** 24 Papers Per Pack, 25 Packs Per Display	**$38.00** UNIT PRICE **$1.52**

Wired Cones

3 Cones Per Pack

Randy's Wired Cones brings our classic wired innovation to the world of pre-rolls. Randy's Wired Cones feature a built-in wire for easy passing, a smooth burn, and a no-fuss finish.

0030	**Wired Cones** Display of 24	**$30.00** UNIT PRICE **$1.25**

Easy to Fill

Filling a cone can be frustrating when the paper lacks structure. Wired Cones solve that with an embedded wire that acts as a spine, giving each cone added stability while you pack it. The result is an easier fill and a sturdier pass for beginners and seasoned smokers alike.

Hempwick

All Natural

A 100% organic alternative to using a butane lighter. Hempwick is made from hemp and beeswax, and burns slower and longer which allows users more control during their session.

Full Flavor

Burning at a lower temperature than butane, Hempwick produces less harsh, more flavorful hits during a session, and helps legal herb last longer by not torching your herb.

No Harmful Chemicals

Using a butane lighter causes the flame to burn at a very high temperature, forcing a user to inhale extra hot smoke mixed with harsh butane chemicals, while burning herb much quicker than Hempwick.
